

Weiti Boating Club – Standard Sailing Instructions 2017
Organising Authority Weiti BC

NOTICE TO COMPETITORS
Amendment number 1 – 23rd February 2018

The Standard Sailing Instructions 2017 are amended as follows to substitute the use of VHF channel 66 for channel 77. This is due to the current unreliability of channel 66.

Please replace Ch 66 for Ch 77 in the following clauses:

8.5, 11.7, 17.1, 18.1, Appendix B

This change will be effective for all future races advertised for the current sailing programme 2017-18.

The following races will be impacted:

Race	Date	Comment
25/2/2018	SHS – Male/Female race	
3/3/2018	Cruising race 6	
11/3/2018	SHS – Single handed	
25/3/2018	Cruising race 7	
30/3/2018	Cruising race 8	Combined race with GHYC

Note that B&T race 4 on 8/4/2018 is not covered by this change as it is sailed under a different set of sailing instructions. Similarly, the combined Winter series with GHYC beginning 6/5/2018 is not covered by this change as it is sailed under a different set of sailing instructions.

Colin Thrush
