

Overnighting in WBC carpark. (Approved at General Committee meeting on 10/4/2019)

Background: Out of area members may be permitted to park a certified camper van (as described below) in the WBC carpark. Any requests for overnighting should be on basis that the member has a boat on the hardstand (or in the shed) and is actively working on it.

Conditions:

- a. Member must make application to the Club Manager before bringing the vehicle on site.
 - i. Conditions of stay must be agreed to before approval will be given.
 - ii. Parking location will be dependent on space availability and at Club Manager's direction.
- b. Vehicle must be self-contained and meet the Caravan Self Containment Certification standard. The certification sticker must be displayed. The self-contained vehicle must have:
 - i. a toilet. Use of the public toilet block is recommended.
 - ii. fresh water storage (for 3 days)
 - iii. waste water storage (for 3 days), and
 - iv. a rubbish bin with a lid.
- c. Waste water containment – no discharge of grey water onto the carpark surface
- d. Club facilities – available for use during standard opening hours: water, kitchen, electricity, toilets or showers.
- e. No Pets
- f. Noise restrictions as per current council resource consent for hardstand area.
- g. Maximum 15 night's stay
- h. Maximum 3 vans at any one time in the carpark. This will be at Club Manager's discretion.
- i. No trailer units. Maximum van length – 6 metres
